

## ICE CVC

The ultra quiet ICE CVC is versatile, compact, reliable and a true powerhouse. The integrated cable rewind ensures safe and practical storage of the red 10m power cable possible. If required, operatives can change the cable in just a few simple steps without using any tools.

The ICE CVC has a 4-stage HEPA filtration as standard making it the ideal vacuum for all environments particularly healthcare.

Specification	Detail
Voltage	230 V
Power	700 W
Noise Level	49 dBA
Capacity	9 Ltr
Cable Length	12 m
Weight	5.5 Kg
Dimensions (L x W x H)	35 x 29 x 38 cm
