

SERVICE THROUGH INNOVATION

ICE MTECH 75 D

The ICE MTech 75 D is an advanced and innovative pedestrian scrubber dryer.

Everything about the machine is easy, intuitive and dynamic.

All functions and activities are managed by the touch-screen control panel, which offers access to an extraordinary choice of customisable features to satisfy all types of requirements with extreme simplicity.

Experienced engineering combined with high quality materials has led to a model made to last and is able to reduce the total cost of ownership.

Specification	ICE MTech 75 D
Power	Battery (24V)
Working width	76.5 cm
Productivity	3,000 m ² /h
Fresh water capacity	74 Ltr
Dirty water capacity	85 Ltr
Noise level	72 dBA
Suction Width	88.5cm
Dimensions (L x W x H)	151.4 x 88.5 x 109.3 cm
Weight	402 kg

The ICE MTech 75 D is suitable for for cleaning supermarkets, warehouses, production areas, gyms, showrooms and workshops.
