

# ICE Scrub 43 NG

ICE Scrub 43 NG brings the efficacy and strength of a scrubbing machine to where it is most needed, to restricted areas within industrial environments where dirt is stubborn and cleaning requires power.

The robust design is suitable for demanding sectors from the mechanical industry to the food industry, in production, processing and storage areas.

**Ideal for cleaning : factories, production lines, processing and storage facilities, assembly lines, mechanical workshops, supermarkets, kitchens, canteens and restaurants.**
