

SERVICE THROUGH INNOVATION

ICE SCRUB 50

SERVICE THROUGH INNOVATION

The ICE Scrub 50 D is a battery powered pedestrian scrubbing machine, offering high performance for both maintenance and heavy duty cleaning.

The ICE Scrub 50 D is extremely versatile thanks to its compact size. It meets the cleaning needs across a variety of sectors and is ideally suited to smooth floor types.

Full accessibility to components allows for easy maintenance.

The ICE Scrub 50 is available in a disc, cylindrical and oscillating option.

Its compact size makes this machine perfect for healthcare, hospitality, large scale retailing, automotive and public institutes.
