

ICE STEAM GB1

The ICE Steam GB1 can be powered by either a single or dual battery and uses dry steam and environmentally friendly detergent to dissolve discarded gum on contact.

The ICE Steam GB1 features a tough and robust stainless steel body and is completely silent during operation, no cables, no noise pollution and can be used in any weather conditions.

One full battery charge will supply enough power for your average working shift.

| Specification | Detail |
|-------------------------------|------------------|
| Power supply | 12 V |
| Vaporisation chamber capacity | 10 ml |
| Tank capacity | 10 Ltr |
| Boiler capacity | 10 Ltr |
| Weight | 89 Kg |
| Heat up time | 15 mins |
| Hose length | 4 m |
| Dimensions (L x W x H) | 107 x 58 x 84 cm |
