

SERVICE THROUGH INNOVATION

ICE MTECH 35 & 43 D

With its extraordinary power the ICE MTech 35 D provides professional cleaning for all environments, giving outstanding results in even the most demanding sectors, such as industrial and healthcare facilities.

It is a small yet very powerful scrubber dryer which produces exceptional cleaning results.

This machine becomes a perfect solution for professionals who want to complete their fleet with a small scrubber dryer, yet very powerful, able to provide the effective results of mechanised cleaning on small-sized floor.

ICE MTech 43 is efficient and strong, even within industrial environments where dirt is stubborn and cleaning requires power. The robust design is suitable for demanding sectors from the mechanical industry to the food industry, in production, processing and storage areas.

Despite its small size, the machine is equipped with the same technology as the larger models, enabling you to complete your fleet with a compact, high-performance machine that can be remotely managed using the Focused Fleet Management (FFM) telemetry system.

Specification	ICE MTech 35 D	ICE MTech 43 D
Fresh water capacity	15 Ltr	25 Ltr
Dirty water capacity	17 Ltr	27 Ltr
Suction width	44 cm	51.6 cm
Working width	35.5 cm	443 cm
Noise level	61.5 dBA	<70 dBA
Power	24 V	24 V
Weight	84 kg	130 kg
Productivity	1,300 m ² /hr	1,600 m ² /hr
Dimensions (L x W x H)	76.5x49x111 cm	89.5x533x12.5 cm
