

# ICE R Scrub 85 DARE

The ICE R Scrub 85 DARE combines cutting-edge technology with robust design and intelligent features, empowering operators to maximise its potential.

This innovative machine has exceptional performance, power, and safety, all while maintaining ease of use. Its ideal balance of productivity, performance, and reliability makes the machine perfect for both routine maintenance and heavy-duty cleaning, even tackling heavily soiled medium to large floors up to 12,000 sq.m.

Equipped with on-board water recycling, the machine saves up to 70% water and increases productivity due to reduced filling of the tank.

It is also available in a Cylindrical version

Specification	Detail
Working width	85 cm
Squeegee width	110.5 cm
Run time	4 hours
Brush pressure	150 kg
Productivity	6,800 m <sup>2</sup> /h
Solution tank capacity	180 litres
Recovery tank capacity	180 litres
Weight	1,145 kg
Dimensions (L x H x W)	191.7 x 163 x 961 cm
