

SERVICE THROUGH INNOVATION

## ICE R SCRUB 90 D

ICE R Scrub 90 is a ride on scrubber dryer with a robust design, suitable for working in many environments up to 15,000 square metres.

It gives outstanding results, even providing the deep cleaning of various hard floors such as warehouses and logistic centres.

The large tank capacity increases productivity, while quiet operation means it can be used during the daytime with minimal disturbance. This machine comes in both disc and cylindrical models.
