

# ICE Wash E 20

The ICE Wash E 20 single-phase cold pressure washer stands out for its appealing & robust design.

The ICE Wash E 20 is easy to operate and its innovative V-shaped handlebars are wide and ergonomic for the operative.

Thanks to its high pressure and notable flow rate, this machine is ideal for use in a wide range of sectors; automotive, industrial, logistics and warehousing to name a few.

Specification	ICE Wash E20
Working pressure	150 bar
Water flow	6 Ltr / Min
Power	3.0 Kw
