

# ICE R Scrub C75

The ICE R Scrub C75 is a compact ride-on scrubber dryer, combining robust design with smart technology. It is ideal for diverse settings such as production sites, warehouses, retail environments, and logistics facilities.

The perfect balance of productivity, performance and reliability makes it the ideal compact industrial floor scrubber for both routine maintenance and heavy-duty cleaning, even tackling significant dirt on medium to large floors up to 8000 sq.m.

| Specification          | Detail                  |
|------------------------|-------------------------|
| Working width          | 77 cm                   |
| Squeegee width         | 98.5 cm                 |
| Run time               | 4 hours                 |
| Brush pressure         | 110 kg                  |
| Productivity           | 6000 m <sup>2</sup> /hr |
| Solution tank capacity | 145 litres              |
| Recovery tank capacity | 154 litres              |
| Weight                 | 1,059 kg                |
| Dimensions (L x H x W) | 183 x 159 x 98.5 cm     |
